To send a photo with your consult, please follow the instructions below

- 1 Move until you can see the Consult Page again.
- 2 Click on the "Browse" button.
- 3 A dialog box will appear. Locate "Files of Type" (at bottom), it will probably display "HTML Files". Click on the down arrow button to the right of the white box. From the menu, select "All Files."
- 4 At the top of the dialog box ("Look In"), click on the down arrow button. From the list, select the location of the pictures you want to use (e.g. click on "A." drive to access photos saved on a floppy disk). You should now see a list of files including the picture that you want to include.
- 5 Double click on the picture file that you want to send to the specialist
- 6 The dialog box will disappear and the picture file's name appears in the "Select Image" field. It is helpful to type in a description for easy picture identification.
- 7 To send more photos to the specialist, click on the next "Browse" button and repeat steps #2 through #6
- 8 Verify your consult information including the selected photos
- 9 If you made a mistake, click on "Change Information." It will return you to the "Select Provider" screen. You can make all necessary changes without losing previously entered text, however photos are not retained. You must re-enter all photos
- 10 If you have no changes, click on "Submit" to send the consult to the specialist

The screenshot shows a web browser window displaying the 'Rural Consult' application. The browser's address bar shows the URL: <https://www.ruralconsult.com/Dermatology/SecurePages/Verify.asp>. The page layout includes a top navigation bar with links like 'Home', 'About', 'Contact', 'Privacy', 'Terms', 'Help', 'Feedback', 'Search', 'New & Cool', 'Channels', 'Flash Player', 'Rural Consult', and 'What's Related'. The main content area is divided into several sections:

- previous therapy**: A section with a 'rash on cheek' image and a 'close up of rash' image.
- reason for consult**: A text input field.
- identification of rash**: A text input field.
- Submit**: A button.
- Update this Field**: A button.
- Update this Field**: A button.
- Submit Consult**: A button.

Handwritten annotations include:

- A question mark icon next to the 'Update this Field' button.
- A line pointing from the 'Update this Field' button to the text: 'If any part of this consult on the "Update this Field" button, the patient's name is kept confidential. The specialist receiving this consult is given the consult number only.'
- A line pointing from the 'Update this Field' button to the text: 'Click your consult button when you are satisfied with your consult information.'
- A line pointing from the 'Update this Field' button to the text: 'The JavaScript is unavailable (until 8/12/01). Are you sure you want to submit the consult to this specialist?'
- A line pointing from the 'Update this Field' button to the text: 'Click from the white box below Click'.
- A line pointing from the 'Update this Field' button to the text: '231'.
- A line pointing from the 'Update this Field' button to the text: '230'.
- A line pointing from the 'Update this Field' button to the text: '232'.
- A line pointing from the 'Update this Field' button to the text: '213'.
- A line pointing from the 'Update this Field' button to the text: 'Fig. 18'.

The bottom of the page features a footer with the text: '© 1999 Midwest Center for Rural Health. All rights reserved.'

Currently on cephalixin 500mg bid

What's Related

Reason for consult

Severity of this lesions is very worrisome considering no other suspected or diagnosed prompt-acting factors.

assessment/diagnosis	Most likely this represents a bacterial infection, either a folliculitis or secondary to insect bites.
differential diagnosis	Sweet's disease (acute febrile neutrophilic dermatosis), Pyoderma gangrenosum Fungal infection Mycobacterial infection
recommendations	If she has not responded to antibiotics and the cultures were not helpful, I recommend 1- Skin biopsy (elipse across edge of lesion) with cultures for fungi and mycobacteria I would appreciate a follow up. Sorry for the delay I was just able to get through to the site. Evan Farmer
